CLEAR CREEK LAKE FISH ATTRACTOR APPLICATION

I, _____, have read and understand the Clear Creek Lake Fish Attractor Policy as set forth by the Board of Directors in an approved action effective May 16, 2020.

I am aware of the accepted materials (scrub cedar, pine branches or bamboo), in sizes no longer than 5 feet, and at locations where attractors may be dropped in the water. Unacceptable materials are metal, lumber, tree stumps and any item that will harm the lake. It shall be my responsibility to provide a map to the board with exact placement. It is also understood that no objects shall be lowered into water less than five feet deep and that no more than two occurrences per household will be accepted while I am a member of Clear Creek Lake, Inc. Also, I realize that any violation of the policy and application agreement shall result in the loss of fishing privileges for a period of one year from the date of infraction. The lake will maintain a master map file of all fish attractors. This action will be observed by a board member or committee member.
